

## Recycle Brevard Bulletin

### Thank You for Supporting Recycle Brevard!

Stay updated on our events, resources, announcements, and educational programs.

We appreciate you sharing your email with us!

---

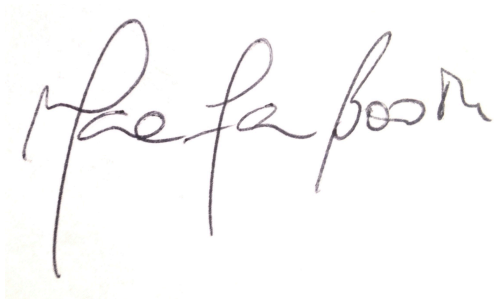

Summer is here—a season of **sunshine and sustainability!** Now is the perfect time to take action and be part of the change we all want to see in our community.

Even though our office will be closed until September, our drop-off locations are open throughout the summer and ready for you to recycle more. We are counting on you to **only add to our boxes items that we are able to collect**. If you are unsure, reach out to us via email or our social media channels.

We will also be taking this downtime to make some changes to our website, add more resources, and create even more opportunities for you to get involved and support our work. So [visit our site](#) often and send us feedback on what you love and what you miss there.

Whether you're heading to the beach, decluttering your home, or getting involved in community events, **every small action you take can make a big impact**. Let's commit to reducing waste, reusing creatively, and recycling responsibly to help protect the Brevard we live in and to help build the Brevard we want.

Enjoy your reading, and let's reduce, reuse, & relax this summer ☀️

## What's Happening?

### Office Closed for the Summer

Our office and Recraft Bazaar in Cocoa Village will be closed for the summer season. But don't worry—**drop-off locations remain open at:**

- **3500 S US 1** (Mrs. Mango & Company)
- **565 Cassia Blvd** (Satellite Beach City Hall)

*Our shop will reopen on September 6th*

Check our [CALENDAR](#) and Socials for updates

### July Ecochallenge

We've launched our **Recycle Brevard for the Earth team** for the **BEYOND PLASTIC Ecochallenge**, happening **July 1–31** — and you're invited! Pick actions you care about, track your impact, and help us cut down on plastic waste this summer
